

Position: Crew Chief – Land Survey
Location: Chesterfield, MO
Start Date: Immediately

Job description

Having a passion for land surveying, working outdoors, and civil/site development as well as having a great attitude and solid work ethic makes you a perfect fit for a Land Survey Crew Chief role at Massman Land Surveyors.

When you join our Land Survey department, you'll be working with a company who has offered these services since 1977. With such a history and excellent reputation, we're the preferred choice for professionals and clients alike. And, for that reason we're one of the most tenured land survey organizations in Missouri.

At Massmann Land Surveyors, you'll enjoy working with project managers with 20+ years of experience. Some of which have spent significant time in the field throughout their careers. That helps communication which improves efficiency and delivers the best product and timely delivery to our clients.

Our Requirements

- At least 3 years of relevant experience (site development projects is a plus)
- Use of standard industry surveying software, robotic total station and GPS equipment as well as Microsoft Office required
- Able to lift and carry 50 lbs., walk long distances over varied terrain and work in all seasonal climates
- Secondary education preferred, not mandatory

Your Skills

- Perform boundary and topographic surveys, and stake proposed improvements
- Ability to read construction plans
- Writing/interpreting land descriptions is a plus
- Office experience including AutoCAD drafting is a plus
- Excellent team communication skills
- Effectively collaborate in a cross-functional department environment
- Great attitude and solid work ethic
- Proven driving record

Your Compensation and Benefits

- Compensation is highly commensurate with experience
- Very competitive and robust benefits package available
- Opportunities for development and advancement
